

H14 - Logistics

Danish Crown

Change continuously, take a look at:

www.danishcrown.dk

1. It is possible to arrange pick-up from several sites (same CVR number).
2. Two neighbours can share a truck. Registration must be done together.
3. Automatically empty, clean truck upon registration of an entire load (205 pcs. – multi pig*).
4. Gradual registration of pick-ups possible.
5. Choice of contract "Sectoral delivery" and "All in / All out", may make pick-up of entire loads easier as the basis weight interval will be wider.

*Number may vary with special productions

Tican

Change continuously, take a look at:

www.tican.dk

1. Automatically empty, clean truck upon registration of 110 pcs.
2. Gradual registration of pick-ups possible.
