Statutory Declaration in relation to Industry Agreement on responsibly produced soy for Danish pig producers.

The undersigned hereby solemnly declares that the above company solely purchases soy from producers / companies listed on Danish Agriculture & Food Council positive list of producers / companies that have acceded to the industry agreement on responsibly produced soy for Danish pig producers.

It is the responsibility of the above company to ensure that we solely purchase soy from producers / suppliers listed on the positive list. Pig producers must ensure that they only purchase soy and / or feed containing soy from companies listed on the positive list of companies that have acceded and comply with the agreement on responsibly produced soy.

We agree that if we do not exclusively purchase soy from producers / suppliers listed on the positive list, we will be removed from the positive list.

Furthermore, we confirm that a third party is at all times entitled to verify compliance with the above.

The Statutory Declaration is to be signed and sent to foder@lf.dk
